SANGAM B K

Darwin, NT | 0401 107 199 | bishwakarmasangam@gmail.com
www.linkedin.com/in/sangam-b-k-050a99245

PROFESSIONAL SUMMARY

Motivated Bachelor of Information Technology graduate from Charles Darwin University with practical experience in IT support, cybersecurity, networking and data analytics. Completed an IT internship at PowerData Group Consulting and an ACS Data Analytics project involving Python and machine learning. Strong problem-solving, troubleshooting and communication skills, with a passion for technology and a commitment to continuous learning. Seeking an entry-level opportunity to apply and further develop technical expertise.

TECHNICAL SKILLS

Operating Systems: **Windows, Linux, macOS, Windows Server**
Networking & Security: **TCP/IP, DNS, DHCP, VPN, Firewalls, Cisco Packet Tracer, Wireshark**
Programming & Databases: **Python, SQL, C#, JavaScript, HTML, CSS, MySQL**
Data Analytics: **Power BI, Pandas, NumPy, Matplotlib, Scikit-learn**
Tools & Platforms: **Git, GitHub, VMware, VirtualBox, Microsoft 365, Zoho CRM, Jira**

RELEVANT IT EXPERIENCE

IT Intern | PowerData Group Consulting
Apr 2025 - Jun 2025 | Remote

- Evaluated AI tools to assess their functionality and potential applications in business operations.
- Developed a phishing simulation plan to support cybersecurity awareness and identify potential security risks.
- Worked on WhatsApp and Instagram integration with Zoho CRM to support customer communication workflows.
- Updated and maintained website content using Zoho Sites.

Project Manager | ACS Work Integrated Learning – Data Analytics

2026 - Oct 2026 | Customer Project Analysis

- Led a five-member project team analysing 6,741 customer records using Python and data analytics libraries.
- Contributed to data preprocessing, feature scaling and K-Means clustering, identifying four customer segments.
- Coordinated team activities, project documentation and task tracking using Jira.
- Collaborated on predictive analytics, customer retention recommendations and final project deliverables.

TECHNICAL PROJECTS

Customer Churn Analysis | Python, Pandas, Scikit-learn
Analysed 6,741 customer records using data preprocessing, feature scaling and K-Means clustering to identify four customer segments and support retention recommendations.

Reddit Data Trend Analysis | Python, Power BI
Analysed Reddit data related to mental health discussions and developed visualisations to identify and communicate trends.

Enterprise Network Design and Simulation | Cisco Packet Tracer
Designed and simulated an enterprise network, configuring routing, switching and network security features.

Secure Web and DNS Hosting | Windows Server, DNS, IIS
Configured Windows Server, DNS and IIS to host web services and troubleshoot server configurations.

Role-Based Secure File Transfer and Internal Email System
Developed a secure file-sharing and internal communication system implementing role-based access control.

PROFESSIONAL EXPERIENCE

Dual Site Manager | Store24, Casuarina & Nightcliff
September 2025 – Present | Darwin, NT

- Manage operations across two retail locations, ensuring service quality and compliance.
- Lead staff, coordinate rosters, provide training and monitor operational performance.
- Troubleshoot point-of-sale issues and escalate technical faults to relevant support teams.
- Maintain incident reports, operational documentation and performance records.

Assistant Store Manager | Store24, Palmerston
August 2025 – September 2025 | Darwin, NT

- Supported daily store operations, team coordination and customer service.
- Assisted with inventory control, operational reporting and compliance requirements.

EDUCATION
Bachelor of Information Technology Aug 2022 -Jun 2025
Charles Darwin University | Darwin, NT

Relevant Coursework: Network Engineering, Software Development, Algorithms and Complexity, Cybersecurity, Digital Systems Architecture, Database Concept

LICENCES & CLEARANCES

- NT’ C Class Driver's Licence | Working with Children Clearance
- Willing to undertake a National Police Check | First Aid and CPR Certification
